Bricks and Mortar and More

The President's Homes

By Dr. Wayne G. Marty

Two President's homes are prominent in the history of Westmar College. The first was located northeast of the main north entrance to the campus. It is pictured in the 1916 Western Union yearbook and labeled as Dr. Mock's Residence. Dr. Charles A. Mock, for whom the Library was named, was president of the college from 1911 through 1930. In 1911 there were only two college buildings –Thoren Hall and the wooden frame dormitory known as Union Hall. Dr. Mock's presidency saw the construction of the "old" gym in 1908, Dubs Hall, Wernli Hall, the Heating Plant and this first president's residence. The certainty of the construction date was enhanced by a feature in the 1916 year book entitled "Daily Happenings." A note for Nov. 1, 1916 says "President's mansion completed" and a note for Dec. 15, 1916 says "The Y.M.C.A. was entertained in President Mock's new home."

The house was sold and moved to the McNaughton farm near Kingsley on June 2, 1966 (The house is still being used at that rural location.) to clear lots 7, 8, and 9 of Block Six of the Normal Park Addition in Le Mars for the construction of the new Kime Science Hall. The Normal Park Addition was a group of 14 blocks on the south edge of Le Mars that were purchased by a group of Le Mars businessmen organized as the Le Mars Normal School Association in the late 1800s. Lots were then sold individually to fund the establishment of the Le Mars Normal School in 1892 which became Western Union College in 1900.

Alice Kruse (Class of 1929) remembers visits to the house during the Dr. Mock years. I presume it was the home for Dr. D. O. and Mrs. Ima Kime after he replaced Dr. Mock as President in 1930. Eva (Gabel) Brown (Class of 1938) remembers visits to the house for cookies when Mrs. Kime was director of the Girls' Glee Club. In 1940 a house located on 4th Ave. at the Northeast corner of the campus was purchased and designated as the President's House and the "Mock Mansion" provided shelter for a variety of people thereafter. In the late 1940's and to 1958 it was known as the Miller House and occupied by Dr. Ed and Mrs. Miller, Registrar and Professor of Education. When Dr. Miller retired in 1958 the college student body was outgrowing dormitory space and the activities in the house dramatically changed. A faculty or staff person or couple lived in the house and students occupied upstairs rooms.

It was the Larson House from 1958 to 1960 when Carl Larson, Professor of Education managed the student residents. From 1960 to 1962 Bob (Class of 1959 and Admissions Counselor) and Nancy (Class of 1961) Bistline supervised the students Nancy tells of housing boys during their first year and that the boys had some snakes as pets in their rooms. The boys loved their newborn, Stephen, but Stephen had some unplanned entertainment one day when Nancy heard Stephen giggling in the next room and found that he was crawling after a snake that had escaped to their downstairs residence.

It was the Martin House for the 1962-63 year when Milt (Class of 1953 and newly hired Phys. Ed. Professor) and Dorothy Martin were the live-in supervisors for eight girls living upstairs. They brought their new born second son, Tom, directly to the

"Dr. Mock's Residence"

house from his birthplace in a Worthington, MN hospital so there were two little "boy dolls" to receive attention from the college girls upstairs. Carol Lange, a returning 2 year teacher (Class of 1965) was supervising resident for the final semester of use in the fall of 1963 and was charged with supervising these college gals that attracted football players to the house. Dr. Lange later returned to the faculty of Westmar and remembers that experience as challenging at the time but is aware of the high quality of those girls who have gone to do great things with their lives. One of those girls, Jan (Davolt), who married one of those football players (Quarterback Terry Christensen), has reconnected with Dr. Lange in recent years at meetings of the Delta Kappa Gamma national organization for women educators.

At some time the house came to be known as the Poling House and all news stories relating to the moving of the house in 1966 use that name. I have no explanation for the origin of that name for the house. WAFA will be pleased to get any ideas or information from Alumni regarding the name and in a future WAFA Newsletter theories and ideas will be synthesized for a "Best we Know" report.

The New President's House on 4th Ave. was purchased by the college in 1940 from the "estate of Herbert S. Martin, a person of unsound mind..." A search with the amazing Google technology of our age provided a Time Magazine article dated Jan. 16, 1933 that describes Martin as an attorney for the New York Life Insurance Co. In that Great Depression period a common tactic by friendly farmer neighbors during foreclosure sales was "There ain't going to be any bidders!" Lawyer Martin violated that protective principle and bid \$30,000 for a mortgage with a face value of \$33,000. The farmer crowd responded with, "Lynch him! Tar and feather him! Ride him out of town on a rail!" Martin was handcuffed and forced to a telegraph office to obtain permission from the Insurance Company to raise his bid to \$33,000. There have been periodic stories of ghosts in this new President's house and some suspect that one might be the ghost of Herbert S. Martin who was treated for mental illness at some time following this event.

Dr. & Mrs. Kime were the first presidential residents of this house. College enrollment was only 200 to 400 students during

1960's

Barbara Loraine Colson Schuler Smith (1962) of Reno, Nev., and formerly of Longmont, Colo., went to be with her Lord Jesus Christ on September 17, 2009, at her home in Reno following a battle with cancer. She was born to Loren and Emma Mae Jones Colson in Imperial, Neb., on November 18, 1940, and grew up on a farm near Lamar, Neb.

Barbara married Leland Schuler of Mokenca, Ill., on February 23, 1963, in Lincoln, Neb., and they had one son, Michael Schuler. They lived most of their married life in Boulder, Colo. Mr. Schuler passed away on October 9, 1984. She later married Stanley Smith of Lamar, Neb., on July 31, 1995; he passed away on September 11, 1996.

Having a close relationship with Jesus Christ and living a Christian life were a priority in Barbara's life. She was affiliated with Reno Christian Fellowship at the time of her death. Her professional career involved various office positions, and her most enjoyable working years were spent at Boulder Valley Christian Church in Boulder, Colo., and LifeBridge Christian Church in Longmont, Colo.

Barbara was preceded in death by her father, Loren Colson; and husbands, Leland Schuler and Stanley Smith. She is survived by her mother, Emma Mae Colson of Imperial, Neb., a son and daughter-in-law, a brother, mother-in-law, and many other family members.

Funeral services were September 23 at LifeBridge Christian Church. Internment at Mountain View Memorial Park in Boulder.

Rodney Boyer (1964) After 30 years of teaching and research in biochemistry at Hope College, Holland, Michigan, Rodney has retired and is living in Bozeman, Montana. He keeps busy writing biochemistry textbooks and touring the beautiful mountains of Montana.

Jerry Boutelle (1966) recently retired after 37 years of ministry in the Presbyterian Church. He then had time for a deferred ambition—bicycling across country. In July they spent a weekend with his sister **Beverly (Boutelle) VanDevender (1960)** in Iowa, and then continued out to Astoria, Oregon. Then spent the next weekend with **Marsha (Bradley) (1966)** and **Ingo Goller (1967)** whom they had not seen since college. Then Jerry began the 2,624 mile 34 day trek across Oregon, Idaho, Montana, Wyoming, Colorado and much of Kansas. In truth, Judy had the more challenging role, driving a camper through the Cascade and Rocky Mountains, keeping track of Jerry, and finding a campsite near where he stopped each night. The next plan is to complete "the last third" of the journey, resuming the trip in Kansas and finishing in Virginia. Jerry lost between 15 and 20 pounds, eating everything he wanted for over a month, and recommends it as a weight loss program for everyone. Wife **Judy (Miller) (1966)** is a semi-retired surgical nurse who was recently recognized for 20 years of service at Memorial Medical Center in Springfield, Ill.

Bruce H. Cook (1966), 64, of Storm Lake, Iowa and formerly of Shakopee, Minn., passed away Tuesday, Oct. 20, 2009 at the Buena Vista Regional Medical Center of Storm Lake.

A memorial service was Friday, Oct. 23, at 2 p.m. at the Nicklas D. Jensen Funeral Home of Alta, Iowa. Burial will be at the Fort Ripley Cemetery of Fort Ripley, Minn. There will be no visitation.

Remembrance of Bruce Cook always includes a great sense of humor in a fun-loving talker who shared his observances as stories. On Nov. 28, 1944 in Spring

Valley, Minn., he was born a preacher's son to the Rev. Herbert F. Cook and Sarah Wagner Cook. A few years later, the family moved to Springfield, Minn. where Bruce entered the first four years of school. In 1954 they moved to Buffalo Lake, Minn., where Bruce completed high school in 1962.

Singing was an important part of his youth as a men's quartet member in church and school. Playing baritone horn in the school band, tall, dark, handsome Bruce was also the drum major for the marching band. Bruce was a paper boy for several papers. One year a customer submitted a full column article to the Minneapolis Star, praising him as the model paper boy for his customer service and neighborliness beyond what was required. A peer reminisces, "I remember a happy-go-lucky kid in Buffalo Lake with love of people, smiles, stories, and a good time. He belonged and was happy being himself." Serving as team manager for sports teams began a life-long avid interest in sports, including when he was a parent on the sidelines of his children's teams.

After one year at Westmar College in LeMars, Iowa, Bruce joined the U.S. Army and served from 1963-65. He completed his Associate of Arts degree in marketing from Normandale Community College in 1971. Bruce was employed in many business environments as an airline worker, restaurant manager, taxi driver, telemarketer, Wal-Mart associate, market researcher, and a consummate salesman.

In 1969, he and Edith Paetznick were married, and for 25 years they lived in the Savage and Shakopee areas, raising their three children: Nolan, Kent and Monica. More recently, Bruce enjoyed spending time with his granddaughter, 1-year-old Ella Rae Schmit.

After his first marriage ended in divorce, Bruce and Rochelle Weisgurt were married for several years. He has lived in Alta and Storm Lake for the past decade.

He is survived by his children, Nolan Cook of Shakopee, Kent (Jodi) Cook of Cottage Grove, Minn., Monica (Tom) Schmit of Savage; granddaughter, Ella Rae Schmit; sisters, Karla (Sheldon) Weinert of Sheldon, Iowa, Ginni Cook of Chicago, Ill.; along with many nieces and nephews.

She earned a degree from Hillcrest Bible College, and later a bachelor's degree from Westmar College in Le Mars. She continued her education in literature. On July 17, 1948, she married Oscar J. Schinkel at Torrington Evangelical Church.

They were living in Owensboro, Ky. when her husband died in 1998. She moved to Carroll in July of 2006, and to Sunnybrook of Carroll in the fall of 2008.

the 1940's and early 1950's so receptions and small group meetings in the house left a feeling of warm welcome for both students and faculty during the Kime years of 1940 to 1956. Dr. Harry and Margaret Kalas continued this tradition but it became more difficult as the enrollment swelled to over 1000 during the 12 years of the Kalas administration. When Dr. Kalas retired in 1968 there had been only 6 Presidents during the 68 years of the college life. Dr. Mock had served for 19

years, Dr. Kime for 26 years, and Dr. Kalas for 12 years. During the remaining 29 years of the college (1968-1997) there were 11 presidents with many serving only 1 and 2 year terms.

So President's House #1 (1916 to 1940) was home to only two presidents. President's House #2 (1940 to 1997) was home to 10 presidents. Some terms were so short or they were "acting president appointments so they did not even move into the house.

The City of Le Mars became the owner

of the house in 1997 when the college closed. In August 1998 LeRoy (Westmar Class of 1984) and Wanda Wichers became the owners until August 2007 when this house filled with memories (and maybe some ghosts) was transferred to Chase and Debra Anderson. The Andersons are the current proud residents of this beautiful historic property.

Next time we will discuss the Library/Administration building. Your thoughts and memories are welcome.

Leonard (Lenny) Underhill (1974), 58, of LeGrand died Wednesday, Sept. 30, 2009, at the Marshalltown Medical and Surgical Center in Marshalltown. Mass of Christian burial was Oct. 5, 2009, at St. Henry Catholic Church in Marshalltown. Interment was at Rose Hill Memorial Gardens in Marshalltown.

Lenny was born on July 31, 1951, in Americus, Ind. to Edward and Ruth (Fawley) Underhill. He was raised in the Burlington and Lafayette, Ind. area. In 1966, he moved to the rural Marshalltown area, to be raised by his sister and brother-in-law Jean and Merle Ridout. He graduated from LDF High School in LeGrand in 1970, where he was a state wrestling champion that year. He went on to wrestle at Westmar College in LeMars where he received a degree in business. On Aug. 19, 1972, he married his high school sweetheart Cathy Tichy, in Marshalltown. Lenny was an independent insurance agent for many years, serving central Iowa. Most recently he was an insurance and billing manager for SportsPlus Medicine and Physical Therapy Center in Marshalltown. He was a member of St. Henry Catholic Church where he was involved in many activities. He was also active in many community activities, most recently retiring last year after 29 years as the on field play-by-play announcer for the East Marshall football team. He was proud to have started the little Warhawk wrestling program in the early 1980's. He was always available to assist anyone who needed help. He was truly the Lord's servant.

Lenny will be dearly missed by his wife of 37 years, Cathy; one son, Chad (Amanda) Underhill of Washington; two daughters, Lisa (Joel) Schmidt and Sarah Underhill both of Clive; two granddaughters, Clair Underhill and Lucy Schmidt; five sisters, Jean Ridout and Juanita Gile, both of Marshalltown, Shirley Johns of

Tacoma, Wash., Sandy Anderson of Monticello, Ind., Carol (Larry) Adams of Lafayette, Ind.; four brothers, Duane (Denise) Underhill and Tom (Sheryl) Underhill both of Marshalltown, Bob (Jeannie) Underhill and Dennis (Vicki) Underhill both of LeGrand; his mother-in-law, Mary Ann Tichy of Marshalltown, and many nieces and nephews.

He is preceded in death by his parents, Edward and Ruth Underhill; father-in-law, George Tichy; two sisters, Patsy Underhill and Marlene Baker; three brothers, Eddie, Vernon, and Steve Underhill.

Donald Featherstone (1975) has retired after 34 years with the Red Wing School District. He coached middle school wrestling, men's and women's swimming and diving before going to the high school as Athletic Director and Assistant Principal. He enjoys boating on the Mississippi River and traveling. He and his wife, Barb, have been married for 24 years. They have an adopted daughter who will graduate from Red Wing in 2010.

1990's

Westmar Music Lending Library

Open at Le Mars Arts Center

The Westmar Music Lending Library is now open Thursday through Sunday 1:00 to 5:00 p.m. Inquiries also available through lemarsarts.com or The Arts Center; 200 Central Ave SE; Le Mars, IA 51031

Vocal Ensemble and Concert Band music available for use by

- ◆ Colleges, Universities
- ◆ Community and Private School Systems
- ◆ Churches
- ◆ Community Ensembles

There are over 2,300 vocal and 1,400 concert band titles that can be searched at lemarsarts.com

History:

The Le Mars Arts Council was given the music of the now defunct Westmar Music Department in 1996 to create a music lending library. Music needs to be used, not stored or dumped in a landfill. After many bumps and bruises, the lending library is now

open. It is located in the lower level, NE corner, of the Arts Center in Le Mars.

Policy:

The Le Mars Arts Council runs the Arts Center on a non-profit basis, so a small fee of \$5 has been approved by the Board for the use of any title. This will enable the Arts Center to maintain the library, replace parts as needed and be a responsible resource for any music ensemble. The LMAL will also require publisher's approval for copying of any parts.
