## RING THOSE BELLS

By Wayne Marty

Bells on the Westmar campus are a long standing tradition but became less of a presence during the latter years. Three examples come to mind: 1. The bell in the tower of Thoren Hall. Alumni through the 60's will frequently tell stories about Thoren Bell ringing pranks, often from afar, with wires or string, so the pranksters were well out of view. 2. A Hand-Bell, rung by the head waiter, was the traditional announcement for "Ready to Eat" when the Dining Hall was in the basement of Wernli prior to the change of food service to Weidler in 1958. 3. Classroom bells that marked the end of class periods were prominent in some buildings until the mid 1960's. All these ringing tones had become silent by 1970.

of the Biology Faculty from 1967 through 1974. Members of the Hoskins United Methodist Church chose to give the bell from their church to Westmar. In July of 1978, Westmar Business Faculty member, David Weiler died suddenly, at age 42, leaving behind his wife Pauline (Polly) and nine children. This combination of events apparently initiated discussions that resulted in "The Senior Class project of 1979." The project "will be 'The Victory Bell Tower' in memory of Mr. David Weiler, . . . a Westmar professor who passed away this summer. . . . The tower will be constructed by the Industrial Arts Club under the supervision of Dr. Holman." (The Gleam, Oct. 3, 1978) The Bell Tower was dedicated and presented

### *Dedicate memorial bell tower*

*Participating in the dedication of a bell tower on the Westmar campus were (from left) Al Mangels, senior class president, president John F. Courter, Mr. and Mrs. Erwin Ulrich of Hoskins, Neb., and Mrs. David Weiler and family. The bell tower was presented by the senior class in honor of Weiler, assistant professor of business at Westmar until his death last summer. Photo/Westmar*

Circumstances in 1978 provided a new "ringing" opportunity. One of the many small United Methodist churches that were closing was in Hoskins, NE. There was a strong connection between that church and Westmar. Clarence Schroeder was an active Westmar Trustee. Dr. M. Gene Ulrich and others were students at Westmar and Dr. Ulrich returned as a member

to Westmar President, Dr. John Courter, by Al Mangels, Senior Class President as part of the Commencement Ceremonies in May of 1979. Dr. Ulrich's parents, Mr. & Mrs. Erwin Ulrich from the Hoskins Church were also present and added to the gift of the bell with a \$13,000 gift to Westmar from the sale of the closed EUB church. Thereafter the "victory" sound spread across campus following numerous athletic victories. It stood proudly north of the multi-use, multi-named, 1908 Gymnasium-Old Student Union-Home Ec.- Art Building.

The Bell sadly fell silent following the closing of the college in November 1997. In 2003 when the Westmar Memorial Park was established, the tower with bell was moved to a nearby but more appropriate location by Kooiker, Inc., a construction firm with equipment for such a task, and a firm with significant Westmar connections- Clayton Kooiker W'69 and spouse Janice (Dunbar) Kooiker W'67 (current WAFA Executive Director), Calvin Kookier and spouse Dixie (Dahl) Kooiker W'67. Although the tower and bell were preserved, the bell remained silent.

## During the Last 100 Years cont....

At the conclusion of the dedication ceremony for the "Westmar Eagle in Flight" on June 10, 2017, the bell sounded once again to mark a "victory" of "mission accomplished" by the Westmar Alumni and Friends. The Westmar Memorial Park is adjacent to the Le Mars Veterans Memorial Park which honors the sacrifices of the soldiers with a monument for each of the Wars of our country. The end of each war was a victory with mixed emotions – a mixture of sadness and the thrill of victory.

It seems appropriate to continue the use of the bell in some orderly fashion. With that goal in mind it is the intent that the bell be rung at 8:30 AM on the following annual dates to commemorate the end of each war:

1. February 3, 1848  
End of the Mexican-American War
2. February 18, 1815  
End of the War of 1812 (2<sup>nd</sup> Revolutionary War)
3. February 28, 1991  
End of the Gulf War
4. May 7, 1975  
End of the Viet Nam War
5. May 8, 1945  
Victory in Europe (VE) Day WW II
6. May 9, 1865  
End of the Civil War
7. July 4, 1776  
Signing of the Declaration of Independence
8. July 27, 1953  
End of the Korean War
9. August 14, 1945  
Victory in Japan (VJ) Day WW II
10. September 3, 1783  
End of the Revolutionary War
11. November (variable)  
Election Day
12. November 11, 1918  
End of WW I
13. December 10, 1898  
End of the Spanish-American War

May the tones of this honorable Bell continue to ring as a memory of significant victories and accomplishments.

## Alumni News

### *Class of 1960 wins Membership Contest.*

The winner was based on the percentage of members to living members of the class as we know. The prize was a display in the Westmar Memorial Room at the Plymouth County Museum in Le Mars.

Unfortunately, I couldn't find much to work with. The jacket belonged to Larry Voas who received it in '60 and we just had a few booklets so added pages from the Gleam. We may have a few items not logged into the archives but I didn't find them. Sorry. The '60 are a very important part of our Alumni and Friends. Congratulations!!!

## Alumni News

Pictured are some of the thirty-seven persons gathered for a well-organized Nebraska Westmar Reunion on June 17, 2017, at St. Mark's United Methodist Church in Lincoln, NE. They enjoyed a delicious potluck meal and sharing time together. One couple came from South Dakota and another couple came from Iowa.

The Steering committee consisted of Jolane Blakely, Bill and Shirley Arnold and Charlyn Shickell. During the meal, folks were asked to share a good, funny or sad experience they had while attending Westmar. There were amazing stories many of us had not heard before. After the meal, all the attendees took the microphone to share with the entire group, what they have been doing since graduation as well as interesting things that happened while they were at Westmar. There was much hilarity as the group shared together.

After singing "O Westmar College" the remaining group gathered for a picture. While this was our first Nebraska reunion, there was a consensus this should be continued in the years ahead. (from Charlene Shickell)

Our Westy is getting a new coat of paint! Board Member Jeff Neary '81 is working with a committee to sand-blast and repaint this special bird. He is also looking at restaining the wooden signage and benches in the "Arboretum area" (volunteers are always welcome)

Don't forget to visit the website ([www.WestmarCollege.org](http://www.WestmarCollege.org)) for your membership needs. **Please keep us posted when you move or get a new email address or phone number. We no longer get updates unless you let us know. Thank you!**

This is a very special video you won't want to miss and a very special keepsake. Many of you made this possible and every day there are people stopping to see it and take pictures—such a special tribute to Westmar

A new t-shirt was also made for the dedication and can be purchased through the office or the website. Most sizes are just \$15 plus shipping.

**Marty Kurth '87** of Le Mars and Gehlen Catholic Head Coach picked up his 500th win in baseball this June. He is the 68<sup>th</sup> coach in Iowa to reach this milestone. He began his career with Gehlen in 1989. In 1994 the team was state runner-up and in 1995 they returned to win their first state title and again won the championship in 1999.

This is Marty's last baseball season, not by choice but because he is losing his eyesight. Last summer he lost sight in his left eye and then 11 months later, he lost most of the vision in his right eye. He says nothing is very clear but he can get along in his own little area. His son Ty has helped as an assistant coach this year. Several stories and photos about Marty Kurth and this last baseball season can be found in the Le Mars Daily Sentinel, [www.lemarssentinel.com](http://www.lemarssentinel.com) and search for Marty Kurth.

Recognition as a master is one of the highest honors the ACR bestows on its distinguished members. Only 25 received the honor. This designation is conferred on ACR members age 65 or older, who have made outstanding contributions to the field of rheumatology through scholarly achievement and/or service to their patients, students, and the rheumatology profession. Honorees have devoted their careers to furthering rheumatology research and improving clinical standards in the treatment of rheumatic diseases.
