Westy gets a new coat.....of paint!

In October this year Cory Isebrand, Chairman of the Wafa Board of Directors, took charge of a group to bring Westy a better look. Mick Even a local businessman did the sandblasting to prepare the eagle for new paint. Westy then went to stay in the garage of Wafa Executive Director, Janice Kooiker, while she painted him or "gave him his new coat".

Donated by the class of 1933 he has stood watch for many years, been in many, many photos and meant a great deal to countless students.

Janice stands with Westy..

Scholarships....Not yet time to apply but time to plan. Scholarship applications need to be submitted early and your school needs to know that your transcript **NEEDS** to arrive before the due date or you will not be eligible for consideration. We have had good students who would have received top scholarships but their transcripts never got there. It is the applicants responsibility to fulfill the requirements. Please plan ahead so you may receive a scholarship that you have worked so hard for.

The scholarship information is on our website and applications can be made only. We have already had questions so please check it out. On the website, look under **Links**. More information will be in the February newsletter but you can get a head start. Good Luck!

Stadium built in 1959 being replaced with new facility! (more on pages 2 and 6)

Wayne Marty comments on the stadium: "That was the "nearly new" stadium during the many Jack Scott Football Championships and also used by some great track teams when it was still a cinder track. " This was in the 1960's and the era of the Gold Football trophies that are on display in the Westmar Room.

The renovation will involve removal and replacement of the entire football field, track, grandstand area and visitor seating. The field will have artificial turf and the track will be replaced with an eight-lane track, with regulation lanes 42 inches wide. Area under the grandstand will include two team rooms, several storage areas, and two walkways to access the seating area in addition to ramps on each end. There will be three rooms at the top of the grandstand, a press box, and rooms on either side for home and visitor coaching staff. Funding for the project includes a \$2 million gift from an anonymous donor and dollars from the SAVE funds received each year.

Don't forget to visit the website (www.WestmarCollege.org) for your membership needs. **Please keep us posted when you move or get a new email address or phone number. We no longer get updates unless YOU let us know.**
Thank you!

From Frank Summerside.....A Thank you to the Chorale for the reunion and for the birthday surprise....

From Matthew 5:16 "So let your light shine."

Shine it did on June 23, 2018. Vielen dank, many thanks to those shining that day and in the man decades past of chorale witnessing through Scripture, always with the Holy Spirit working for all of us.

Messages on the dozens of cards that came my way were truly heartwarming. It was obvious our mission of Music, Message and Holy Spirit's guidance has penetrated your lives.

Special thanks to Tim Hoffman for spearheading the memory segment of the 2018 Chorale reunion as well as the Class of '68 committee who encouraged its inclusion in their 50-year Reunion weekend.

Monetary gifts that have come to Wafa and me will be used to enhance the historical significance of the Westmar Chorale in a display in the Westmar Room at the Plymouth County Museum. Focus will stem from the EXPO67 picture, and a plaque adjacent to it, imparting the influence of the Christiansen Chorale Movement beginning at St. Olaf where conductor Summerside earned his Bachelor of Music degree.

Central to that movement was always the message and the work of the Holy Spirit that Summerside stressed as making it all possible. Other displays citing the work of the Chorale in the U.S. and Europe will be developed in the coming months as part of the history of Le Mars to be viewed in the decades ahead.

Cards with the EXPO67 picture on one side and the plaque message on the reverse will soon be available.

Further appreciation goes to Steve Collins and his crew for the splendid Concert video. Coordinating all from the beginning has been Jan Kooiker and JoAnn Schleis. Kudos to them.

Pictured is the Westmar Chorale who represented the U.S. at EXPO 67 in Montreal. They were selected by the Dept. of State based on four selections from the 1965-66 recording submitted by Conductor Frank N. Summerside. When the call came telling of the honor, the committee stated, "this is a choir in the finest St. Olaf tradition."

Thank you Bob we appreciate alumni submissions.

'84 **Ray Siva Sinnadurai**, writes that It's been almost 35 years since he left Westmar. "I loved the place so much and sad to see the buildings have all been torn down. Very sad indeed !

I was there for just 2 semesters (Fall 1983 and Spring 1984) and had a great time studying science and math subjects in preparation for an Engineering Degree. From there I moved on to UND at Grand Folks and SDSU at Brookings where I graduated in 1986 with a degree in Electrical Engineering. Since then I am back home in my home country, Malaysia. I will be retiring soon in another 2 years time.

Westmar was a wonderful school with very good teachers and most of all, the people in the campus and Le Mars city. I hope to meet up with Dr. Marty, Dr. Meyers, Dr. Frank etc. someday when I fly over to Iowa and I leave it to GOD to decide when. I really do miss all those golden memories in Westmar. "

'77 **Randy Collins** writes from Akron, IA. I graduated from Westmar College (LeMars) and then taught for eight years in Iowa before my wife and I moved out to Colorado in 1985 for what we anticipated to be a one-year adventure. The one year grew into twenty during which we had two beautiful daughters and lived an adventurous life of enjoying the Rocky Mountains (hiking, hunting, camping, fishing, traveling, skiing – you get the idea).

In 2005 we moved back home to be closer to family and to take advantage of opportunities for me to work as a superintendent. I am in my fourteenth year as a superintendent, ten of which I have managed multiple districts, I'm currently superintendent for three districts (Akron-Westfield, Lawton-Bronson, Whiting) and having a great time. I love the job and look forward to working with all those interested in creating world-class schools.

Don't forget to use Amazon Smile when you order from them and they will donate to Westmar Alumni and Friends at no cost to you. It all helps us.

NEW STADIUM TO BE DEDICATED AT HALFTIME TOMORROW NIGHT

The Gleam—Sept 25, 1959

Westmar college's new \$30,000 stadium will be dedicated tomorrow night when the Westmar Eagle's host Graceland college of Lamoni, Iowa, at 7:30 in the evening.

JOHN VOLLMAR, chairman of the Westmar Advisory Board, will be master of ceremonies for the half-time dedication program. Pres. H. H. Kalas, will give the invocation.

Brief addresses will be made by Father J. P. Alvey, the superintendent of Gehlen High school, Superintendent E. D. Archambault of Central High school and Dr. A. V. Howland, vice-president of Westmar.

LEADING IN the flag raising ceremonies will be Gehlen High School band, under the direction of Sister Miriam Elizabeth and C. J. Parkinson, assistant director. Also on the program is a dedication hymn by the Central High School band, under the direction of A. C. Jenson.

Seats will be reserved in the stadium that evening for the football teams of both high schools, their coaches and their assistants.

ALTHOUGH THE stadium and field are a part of the Westmar College campus, they are the product of several years of cooperative planning on the part of the entire Le Mars community. Because of this support by Le Mars citizens, agreements have been made for the use of the field by the Le Mars Central and Gehlen High schools.

According to recent reports, each of the teams will retain their former facilities for practice in order to maintain the attractiveness of the new facilities throughout the year.

SPECIAL PROVISIONS have been made to insure adequate public address systems, to enable all to hear the dedication ceremonies.
